

New Free phone No 4 C2M

C2M is pleased to announce that from mid July you will be able to contact us on a brand new free phone number so it will be easier to contact the office. The changes have been brought on due to the numerous mistakes made by our previous service provider. We had lines disconnected, connected to an incorrect number, charges for lines allegedly shut down so enough was enough. The new number for us is

0808 186 4827

If we're not there, don't worry we have a 24hr answer service so leave a message with your number and we can call you back.
